Special Time with Mommy

# Welcome To Special Time with Mommy at the Hebrew Country Preschool

Our program has been designed to be a fun, age appropriate atmosphere for your little one. Your child will be exposed to fascinating and new concepts while he/she utilizes all of his / her senses. Each session is filled with music, song and dance that are all interconnected.

Through the use of manipulatives , crafts and instruments your child is given the opportunity to improve coordination, motor skills and dexterity, all while bonding with mom. Jewish concepts , new vocabulary words and texture is a component in each lesson. Your child is truly free to explore and broaden his/ her horizons in a safe and secure setting. Each lesson consist of center time , circle time, music and movement, story time , snack and projects all related to the theme of the week.

Your child is one of a kind, why not give him/her the opportunity to learn and express themselves in a surrounding that will truly cater to his /her style of learning. This will be a rich and exciting experience for you both. Registration is open for our new semester that begins in February. Class size is limited. We look forward in meeting you and your child soon .
